TFORCE: A Journey of Expansion

In response to the crisis, we established a SAP Offshore delivery centre in Chennai, India, and acquired BestApps Saudi as an authorised VAR for SAP partnership

Transformation
(COVID 19)

2020

2021- 2024

Expansion & Growth

SAP & SD-WAN Surge: Multiple projects fuelling our SAP & SD-WAN expertise.

New Business Line: Launched back-office setup services in India & Cairo (2023) for Saudi Arabian companies to support Saudization efforts.

Rapid Growth: Experienced significant project growth across all business lines.

2018-2019

First
Implementation

TFORCE became the first managed SD-WAN provider in KSA and established a strong SAP AMC services hub.

TFORCE made it's mark in KSA; Launching SAP Consulting services and SD-WAN solutions to empower business in the region.

Launch

2017

2016

Inspired by the potential of technology, we embarked on the Tforce Journey. Our core purpose is to empower you through our solutions.
