

YOUR PARTNER IN DIGITAL TRANSFORMATION

Delivering innovative solutions and exceptional services for your business success since 2012

Who We Are

EMPOWERING DIGITAL GROWTH

VISION

To be a globally trusted leader in IT and consulting, empowering businesses with innovative solutions and inspiring transformation, aligned with Saudi and global aspirations.

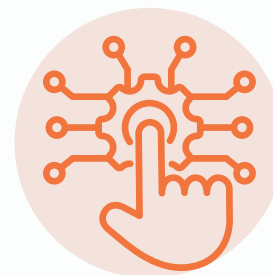

MISSION

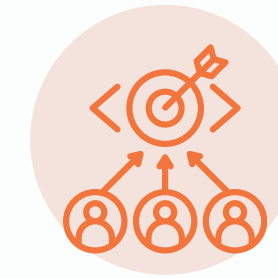

To deliver innovative IT and consulting solutions, inspire excellence and create lasting value for clients, employees, and communities.

Trusted IT Partner

Digital Transformation
Experts

Vision 2030
Alignment

Since 2012, TFORCE has been a trusted technology partner in Saudi Arabia, delivering secure, scalable, and future-ready solutions.

We empower organizations across industries with expertise in SAP implementations, SD-WAN, cloud hosting, and IT staff augmentation — supported by a strong delivery hub in India.

With deep regional insight, global partnerships, and an innovation-driven mindset, we help clients confidently navigate digital transformation while aligning with Saudi Arabia's Vision 2030 for sustainable, long-term success.

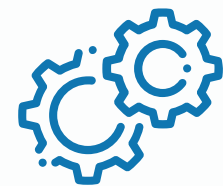

Journey of Expansion

Foundation

We launched SAP and IT services to establish a solid foundation that supports the journey of growth and expansion. In addition, acquired BestApps Saudi established in 2012 (Authorized SAP- VAR)

2016-2017

1

Expansion

Established SAP Offshore Centre in Chennai, India, and launched staff augmentation services

2020

3

Leadership

Driving SAP transformation, expanding services, and strengthening strategic alliances for growth.

2024-2025

5

2018-2019

2

Growth

Implemented SAP S/4HANA and deployed SD-WAN for leading GCC banking and industrial clients.

2021-2023

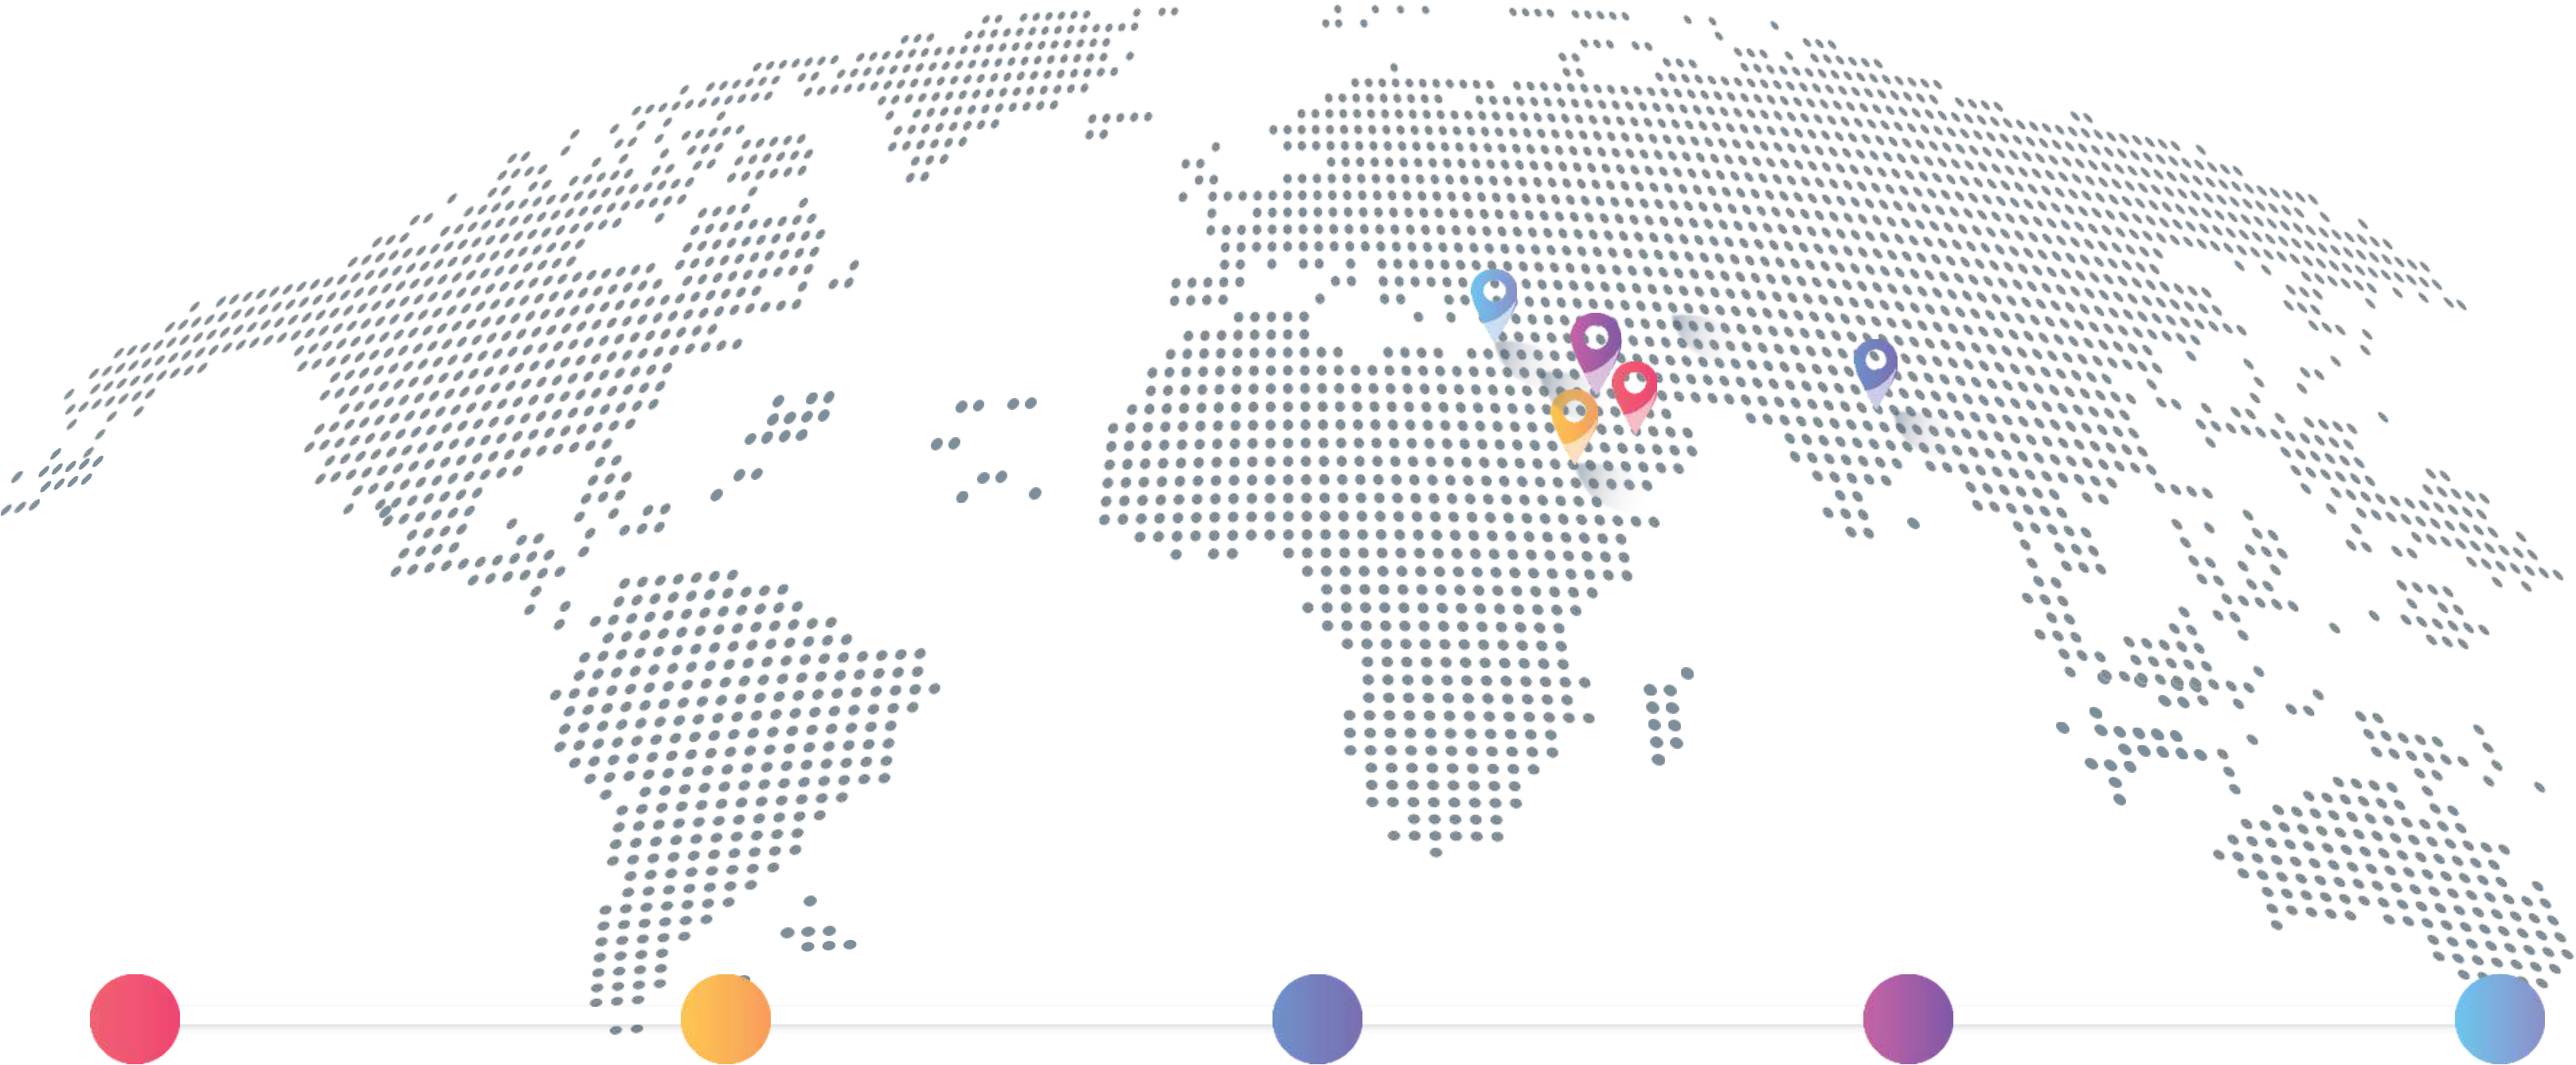

4

Breakthrough

Enabled SAP success for Farabi & Nama, expanded ENR ties, and led KSA's first Managed SD-WAN with SAP AMC, back-office, NOC & SOC services.
